ABOUT STOUR VALE ACADEMY TRUST

Our multi-academy trust was founded in 2017 and developed from collaboration between schools, the significant positive impact of which convinced three schools, two secondary and one primary, that together we would have much greater capacity to continuously improve. Over time, Stour Vale has steadily grown. We began as a cross-phase multi-academy trust and as we have grown, both secondary and primary schools have joined us. There are currently thirteen member schools, six primary, one junior, one infant with day nursery and five secondary.

As a successful family of schools, delivering high-quality education for the communities we serve, Stour Vale values its diversity. Each school brings their own distinct character,

community, history and identity. We celebrate the uniqueness of member schools, recognising that there is a great deal to learn from education in different contexts. This is also the reason why we remain outward-looking, committed to learning from research and excellent practice across the education system.

OUR VISION AND VALUES

Stour Vale Academy Trust holds children and young people at the heart of all that we do. We recognise that as a multi-academy trust we exist in order to advance education for the public good. Our mission, therefore, is to improve life opportunities for children and young people by both providing the best possible education and care to pupils in Stour Vale member schools and by having a positive impact across the wider education system. Our values are encapsulated in four words:

OUR VALUES

STOUR VALE ACADEMY TRUST

INTEGRITY

By always acting with integrity we will deploy our resources appropriately to provide the very best education and care for pupils. This approach will enable us to recruit and retain the best staff who share our values.

We recognise our responsibility to support and challenge member schools to have a positive impact on the lives of children and young people, our communities and the wider educational system.

RESPECT

We are committed to treating everyone with respect and promoting equality.

Stour Vale member schools are safe and inclusive schools. We value and celebrate the diversity of pupils, colleagues and the communities we serve. We believe that developing pupils' character and their own commitment to treating others with respect must sit alongside the pursuit of academic excellence.

COLLABORATION

Stour Vale Academy Trust exists because we believe that effective collaboration has a positive impact on the life opportunities of children and young people.

We believe that working collaboratively together we have much greater capacity to realise continuous improvement in all member schools. Therefore, we seek to actively promote positive, impactful collaboration, most often with school-based staff taking the lead.

EXCELLENCE

We are committed to constantly pursuing excellence and improving all aspects of our work as a trust.

Excellence in teaching and learning, curriculum and character development is our primary focus. This will be achieved by realising our ambition to provide top-level professional learning for all colleagues, developing leadership in every role and providing exceptional back-office services such as HR and finance.

SVAT.ORG.UK

We describe our shared approach to school improvement as 'secure autonomy'. Headteachers, with school leadership teams and staff, have autonomy to lead school improvement in their own schools, responsively and in collaboration with others within and beyond our trust. We believe that this approach enables us to grow, attract and retain excellent school leaders and to develop the most innovative and impactful school improvement strategies. We recognise that this autonomy must be secured within the structure of the multi-academy trust, and our model of challenge and support for impact, underpinned by our shared values, ensures sustained school improvement and a sharp focus on outcomes for pupils. This in turn realises our ambition that **Stour Vale** member schools will **create the difference together**.
